CLM Welcoming Event: Introduction to CLM and Presentation on a Career in Research Psychiatry

CLM invites you to join us as we welcome and get to know the new residents. You will have an opportunity to learn about the CLM Program and hear firsthand what it is like to have a career in research psychiatry.

Speakers:

- History of CLM - Eliot Sorel, M.D., CLM Founder, GWU Psychiatry Professor
- Highlights of NIH Research - Mani Yavi, M.D., Clinical Research Fellow at NIMH

**Advanced registration is
not required.**

Use this log-in to access the event:
